## Girls Hostel Buildings

There are three Boys hostels (One Building under construction) and 3 Girls hostels in BIT Campus accommodating 2650 students approximately every year. Each hostel has a Hostel Committee which is an advisory body comprising the warden of the Hostel and student secretaries as its members. The hostel committee plans the students' activities like sports, recreational and other social activities of the students through the respective student secretaries. First year students are allowed to stay in separate block to ensure that there is no ragging in hostel premises.

The Hostel Office is located within the hostel premises and managed by Executive Warden and Deputy Warden's of both hostels, Clerical staff members in matters related to the various activities of the hostel. The office maintains all the files, registers, records, ledgers, account books, supplier's bills, payment registers and etc., pertaining to the hostel residents, mess as well as the employees. The hostel office functions all the days.

Every student who has been admitted to the institute is required to pay the prescribed hostel rent and establishment charges along with a refundable hostel mess caution deposit. These charges are subject to revision from time to time.

Each hostels connected through Wi-Fi internet connectivity. RO water facility is installed in hostels for drinking purpose. A number of recreational, sports and social activities like student nursery garden take place in the hostel during the academic year. Students can relax in the evenings or on holidays or spend their leisure time in the common room which is equipped with a T.V. in each hostel.

An external security agency is contracted for providing security at the hostels. The service of the security personnel are monitored by the Warden.

The Hostel Secretary acts as the secretary of the Hostel council, ensures proper maintenance of the hostel premises and coordinates the activities of the other secretaries. The Mess secretary works in connection with the mess staff members towards planning of the menu and maintenance of hygiene in the kitchen and the mess hall. The Garden Secretary maintains the garden in well and good. The student President (Secretary) and his team is responsible for managing students amenities and other facilities of Hostels.

The messes are run by the student committees with the support of Hostel Administration. The mess bills are shared by the inmates in **No loss No gain basis (Dividing system)**.

The HCA formulates the necessary rules and guidelines pertaining to Hostels and messes.
