**ABOUT UCE-BIT CAMPUS**

University College Of Engineering, BIT Campus in Trichy is a Regional Campus of Anna University Chennai, Tamil Nadu, India. It's commonly known as Bharathidasan Institute of Technology (BIT) campus. Established in 1999, it offers Undergraduate education and postgraduation in various Engineering disciplines. The campus consists of Co-curricular activities NCC, NSS, YRC, NSO to enrich the Leadership qualities of students.

**ABOUT RGNIYD**

Rajiv Gandhi National Institute of Youth Development (RGNIYD), Sriperumbudur, Tamil Nadu, is an Institution of National Importance by the Act of Parliament No. 35/2012 under the Ministry of Youth Affairs & Sports, Government of India. The RGNIYD functions as a vital resource center with its multi-faceted functions of offering academic programmes at Post Graduate level encompassing various dimensions of youth development, engaging in seminal research in the vital areas of youth development and coordinating Training Programmes for state agencies and the officials of youth organization, besides the Extension and Outreach initiatives across the country.

**ABOUT NSS**

National Service Scheme (NSS) was introduced in 1969 with the primary objective of developing the personality and character of the student youth through voluntary community service. In our college there are four units functioning together to run the NSS services successfully. 'Education through Service' is regularly motivated & the purpose of NSS is enriched. The Objectives of the NSS "NOT ME BUT YOU" is developed in every volunteer with a sense of social and civic responsibility.

**OBJECTIVES OF THE PROGRAMME**

The Main aim of this programme is to achieve Clean Green India through Miyawaki technique. It includes improving biodiversity, sequestering carbon, increasing green cover, lowering air pollution, and preserving the water table. The objectives of Clean Green India - improve solid waste management and to create awareness in villages is the takeaway of this programme.
