

INNOVAUT'18

24 February 2018

INNOVAUT'18

The sole motto of *INNOVAUT'18* is to ignite ideas and foster innovations. Each minted idea with ardent and innovations may grandiose as the harbinger of change and crusader of cause. *INNOVAUT'18* summons all ruminators to bring in their ideas and act to improve the lives of million

MANAM FORUM :

Manam forum is a group of students organized for the purpose furthering their common interests in an activity through participation and competition. This is meant to be a learning experience for the members through their involvement in public reactions, organization, administration and scheduling. Development of skills in their particular area of interest involved in a group and team environment helps to enhance student's overall education while living in a collegiate setting.

BHARATHIDASAN INSTITUTE OF TECHNOLOGY :

Bharathidasan Institute of Technology (BIT) has been established as a Technical Institute under Anna University, Chennai by the government of India. BIT believes in creating and disseminating knowledge and skills in core and frontier disciplines through innovative educational programmes, industrial training, research & consultancy and developing a new cadre of professionals with a high level of competence, deep sense of social commitment and ethics. It offers a variety of UG, PG and research programmes with an approximate of 3000 students in the campus.

Tamil Nadu Science Forum :

Beginning with science education, the *Tamil Nadu Science Forum* , over the years, diversified its activities and played a major role in improving rural literacy. Its main objective is to take science to the people. This forum has a different perspective and uses science to improve the quality of life through its programme in the areas of community health, education, agriculture etc.,
