UNIVERSITY COLLEGE OF ENGINEERING,
BIT CAMPUS, ANNA UNIVERSITY,
TIRUCHIRAPALLI - 620024.

The Institute

Anna University, University College of Engineering (UCE), BIT Campus, Tiruchirappalli, was established by the Government of Tamil Nadu as a " Technical Institution " at Tiruchirappalli - known as RockFort city , with rich cultural heritage and home to many reputed educational Institutions. University College of Engineering, Bharathidhasan Institute of Technology Campus, Tiruchirappalli is a constituent institution of Anna University Chennai. The Institution is established with a view to impart quality student - centered technical education, so as to produce proven technocrats and to strive hard for continuous development and improvement in learning, research, and development activities. Teaching, Research, and Extension services are carried through various Departments and Centers of the Institution. The Institution also works toward fostering partnerships with academic and industrial experts to provide quality education and opportunities for entrepreneurial development by providing hands-on training. BIT has carved a niche for itself in providing technical education in the disciplines that are rare of their kind in our country. Aiming at excellence, the institution offers Research program and UG/PG program in various disciplines.

The Department

The Department of Petrochemical Technology , University College of Engineering (UCE), BIT Campus, Tiruchirappalli was established in the year 1999 as one of the specialized departments of Anna University - BIT Campus, Tiruchirappalli with a view to impart high-quality technical education. Its mission is to craft the young students into energetic engineers endowed with pragmatic skills so that they can boldly face the challenges of the technical world. B.
