

OBJECTIVE OF THE PROGRAMME

The programme aims to create awareness among the prospective students and entrepreneurs to set up the units in rural as well as urban areas under Prime Minister Employment Generation Programme: so as to create Sustainable Employment.

ABOUT KVIC

The Khadi and Village Industries Commission (KVIC) is a statutory body of the Government of India that promotes and develops khadi and village industries in rural areas. KVIC's objectives include providing employment, creating self-reliance, and building a strong rural community spirit. KVIC plans, promotes, organizes, and implements programs for the development of khadi and village industries. It also coordinates with other agencies engaged in rural development. KVIC is under the administrative Ministry of Micro, Small and Medium Enterprises (MSME). KVIC implements programs through State/U.T. Khadi & Village Industries Boards, Khadi Institutions, and more. KVIC promotes khadi and the charkha as eco-friendly, a tool for poverty alleviation, and a way to generate employment.

ABOUT ANNA UNIVERSITY

Anna University, Bharathidasan Institute of Technology (BIT) has been established as a Technical Institute under Anna University, Chennai by the Government of Tamil Nadu. BIT has carved a niche for itself in providing technical education in the disciplines that are rare of their kind in our country with a high level of competence. It offers a variety of UG, PG and research programs with an approximate of 5000 students in the campus. The Institution works towards developing partnerships with industries and academic institutes to provide quality education and opportunities for entrepreneurial development. The main objective of the institute is to generate a horde of highly creative professionals, who can contribute not only to the Human Resource Development and also to Nation building exercise
