ABOUT THE COLLEGE

University College of Engineering, BIT Campus Anna University, Tiruchirappalli

- The University College of Engineering, Bharathidasan Institute of Technology (BIT) Campus, Anna University, Tiruchirappalli, was established in 1999. As a constituent college of Anna University, Chennai, it has grown into a prominent institution with 7 faculties and 16 departments offering specialized programs.
- The college holds NBA accreditation and offers 18 undergraduate B.E./B.Tech. programs, 5 M.E./M.Tech. master's programs, as well as MBA, MCA, and Ph.D. programs across various disciplines. With an enrollment of 4,628 students, UCE-BIT Campus is also a TEQIP II-sponsored institution with UGC 2f & 12B status.
- One of the key strengths of the college is the integration of research with teaching, which fosters a rich educational environment. The departments are actively engaged in cutting-edge interdisciplinary research and operate two centers funded by DST and AICTE. The college has also received ₹300 million in research grants and consultancy from various national agencies.
- The institution has earned Anna University Patent Awards for three consecutive years, and its students have secured Hackathon titles for five consecutive years in competitions organized by various Government of India ministries.
- UCE-BIT Campus prioritizes collaboration with industries and academic institutions to deliver quality education and promote entrepreneurial initiatives. The EDII-Anna Business Incubation Research Foundation (a Section 8 not-for-profit company) and the EDII-Academic Innovation & Entrepreneurship Development Programme Hub (EDII-Tiruchirappalli Hub), funded by the Government of Tamil Nadu, are key initiatives aimed at fostering innovation.
- Our mission is to develop highly skilled, creative professionals who contribute to human resource development and the nation-building process.
