PLACEMENT ACCOMPLISHMENT
2024 - 2025

Vision :

To equip students with essential professional skills and universal values, guiding them toward a bright and successful future.

Mission :

To serve as a bridge between students, alumni, and employers by assisting students in exploring higher education opportunities and securing suitable employment.

To shape students by providing comprehensive training programs in technical, aptitude, and soft skills, ensuring they meet industry expectations.

To conduct grooming sessions led by industry experts, strengthening the institute–industry partnership.

To invite corporate organizations, as well as small and medium enterprises, to participate in placement drives.

NBA ACCREDITED DEPARTMENTS :

Department of Biotechnology
Department of Petrochemical Technology
Department of Pharmaceutical Technology

SCALING NEW HEIGHTS :

Our Successful Placement Statistics :

Over 736 students secured placements through on-campus and off-campus opportunities during the 2023–2024 academic year.

COURSES OFFERED :

UNDER GRADUATE PROGRAMMES

B.E - Civil Engineering
B.E - Civil Engineering (Environmental Engineering)
B.E - Civil Engineering (Tamil Medium)
B.E - Computer Science and Engineering
B.E - Computer Science and Engineering (Data Science)
B.E - Computer Science and Engineering (AI and Machine Learning)
B.E - Electrical and Electronics Engineering
B.E - Electrical and Computer Engineering
B.E - Electronics and Communication Engineering
B.E - Electronics Engineering (VLSI Design and Technology)
B.E - Mechanical Engineering
B.E - Mechanical and Smart Manufacturing
B.E - Mechanical Engineering (Automobile)
B.E - Mechanical Engineering (Tamil Medium)
B.Tech - Biotechnology
B.Tech - Information Technology
B.Tech - Petrochemical Technology
B.Tech - Pharmaceutical Technology

POST GRADUATE PROGRAMMES :

M.E - Energy Engineering
M.E - Environmental Engineering
M.Tech - Pharmaceutical Biotechnology
M.Tech - Biotechnology
M.Tech - Chemical Engineering
M.B.A - Master of Business Administration
M.C.A - Master of Computer Applications

ABOUT THE COLLEGE

University College of Engineering, BIT Campus, Anna University, Tiruchirappalli

The University College of Engineering, Bharathidasan Institute of Technology (BIT) Campus, Anna University, Tiruchirappalli, was established in 1999. As a constituent college of Anna University, Chennai, it has grown into a prominent institution with 7 faculties and 16 departments offering specialized programs.

The college holds NBA accreditation and offers 18 undergraduate B.E./B.Tech. programs, 5 M.E./M.Tech. master's programs, as well as MBA, MCA, and Ph.D. programs across various disciplines. With an enrollment of 4,628 students, UCE-BIT Campus is also a TEQIP-II sponsored institution with UGC 2f & 12B status.

One of the key strengths of the college is the integration of research with teaching, which fosters a rich educational environment. The departments are actively engaged in cutting-edge interdisciplinary research and operate two centers funded by DST and AICTE. The college has also received 300 million in research grants and consultancy from various national agencies.

The institution has earned Anna University Patent Awards for three consecutive years, and its students have secured Hackathon titles for five consecutive years in competitions organized by various Government of India ministries.

UCE-BIT Campus prioritizes collaboration with industries and academic institutions to deliver quality education and promote entrepreneurial initiatives. The EDII-Anna Business Incubation Research Foundation (a Section 8 not-for-profit company) and the EDII-Academic Innovation & Entrepreneurship Development Programme Hub (EDII-Tiruchirappalli Hub), funded by the Government of Tamil Nadu, are key initiatives aimed at fostering innovation.

The Institution aims to develop highly skilled, creative professionals who contribute to human resource development and the nation-building process.

Dr. **P.SANKAR** I.A.S
Convenor, Vice-Chancellor Committee, Secretary to Government
Higher Education Department, Government of Tamil Nadu

Tmt. **J.INNOCENT DIVYA** I.A.S.
Member, Vice-Chancellor Committee
Commissioner of Technical Education
Directorate of Technical Education
Government of Tamil Nadu

Dr. **B.T.N.SRIDHAR**
Professor
Dept. of Aerospace Engineering
Anna University, Chennai

Dr. **J.PRAKASH**
Registrar
Anna University,
Chennai

Dr. **P.HARIHARAN**
Professor & Director
Centre for Constituent Colleges
Anna University, Chennai

Dr. **T.SENTHILKUMAR**
Professor & Dean
UCE, BIT Campus
Tiruchirappalli.

SALIENT FEATURES – TRAINING AND PLACEMENT CELL

- Provides personalized career guidance and counseling to help students identify their strengths and career paths.
- Conducts skill development programs focusing on soft skills, technical skills, and aptitude to enhance employability.
- Establishes strong industry collaborations for internships, industrial visits, and on-campus recruitment.
- Organizes mock interviews, résumé-building workshops, and placement drives to prepare students for job opportunities.
- Continuously collects feedback to refine the placement process and ensure alignment with industry standards.

711 + STUDENTS GOT PLACED IN THE ACADEMIC YEAR 2024 - 2025

LIST OF RECRUITERS IN THE YEAR 2024 - 2025

PRESTIGIOUS RECRUITERS

PLACEMENT CELL

- The Department of Training and Placement offers counselling and career guidance to students, ensuring they are well-prepared for placement opportunities. Through a continuous cycle of structured training programs, students are equipped with the skills necessary to secure placements in reputable companies.
- A systematic and well-structured training framework is implemented to enhance students' competencies in aptitude, technical skills, and soft skills. These programs are conducted regularly, starting from the first year of study. The college maintains strong connections with leading companies in India and abroad, ensuring promising placement opportunities for students.
- The Training and Placement Department identifies the specific training needs of students and provides targeted training from the first year onward:
 - 1st Year : Training in communicative English and soft skills.
 - 2nd Year : Quantitative and technical aptitude training.
 - 3rd Year : Certification courses relevant to their discipline.
 - 4th Year : Personality development, mock interviews, and campus recruitment drives.

PLACEMENT TRAINING DURING 2024 - 2025

The dedicated Training and Placement Cell organized various training programmes at regular intervals for all years of engineering students to equip them with the skills and confidence needed to secure a job. The training typically covered a wide range of topics, including technical abilities, aptitude, soft skills, and interview preparation.

First-year students, during the Induction Programme, were educated by Mr. K. Nagappan (Sr. Manager, Retd., Ashok Leyland, Trichy) about the importance of equipping oneself with additional skills to meet the industrial demands in today's competitive world.

A total of 200 students from the Department of ECE benefited from an exclusive programme conducted by ARK INFO Solutions, Bangalore, aimed at preparing students for Immersive AR & VR Technologies.

A Student Engagement and Consumer Research Programme was conducted for first-year and final-year students of Automobile, Petrochemical, Computer Science, and IT disciplines in collaboration with ITC Ltd.

With the guidance and support of Anna University, CUIC – Chennai, and Titan (CSR) with its implementation partner, Naandi Foundation, the TITAN LeAP Employability Skills Enhancement Training was organized for third- and final-year students. Over 375 students from all branches participated in this programme.

Such initiatives significantly boosted the confidence of students, helping them perform better during the recruitment process and understand corporate culture and workplace ethics.
